

EARLY GRADUATION

The Board supports the principal shall approve such requests if he/she determines that all state and local graduation requirements will be met and that early graduation is related to career and/or educational plans of the student making the request. Upon approval by the high school principal, the minimum 4-unit requirement per semester for enrolled students shall be waived and the student shall be awarded a high school diploma. The student must submit a written request for early graduation at least one semester prior to the desired graduation date. This option is not available for the core diploma.
