

The suspension from extracurricular activities begins on the date of notice of suspension and concludes no earlier than the first day the student returns to his/her regular class schedule.

NOTE: If a student is on suspension during a try-out period of an extracurricular activity, it will be at the

School Year: School year is defined as the first day of sanctioned school extracurricular activities, as set forth under the adopted Nashua School District calendar, through the last day of school of the academic year, or, if later, through the last sanctioned school extracurricular activity of the academic year in which the student in question participates (e.g., the NHIAA Decathlon, Heptathlon or similar sanctioned school extracurricular activity held after the last day of school).

Additional Requirements for the Accompanying Procedures

In addition to any previous requirements, the procedures accompanying this policy will:
